RE: The Senator John Chafee Memorial Scholarship

---

### MEMORANDUM

Senator John Chafee, a long time friend and supporter of CONECT, championed our free and fair trade message enthusiastically throughout his years in Washington DC, even though it was a contrarian stance from within the New England congressional delegation. It was this independent approach that he took while in the Senate that caused the CONECT Board of Directors to found the Senator John Chafee Memorial Scholarship Fund upon his passing. The purpose of these scholarship awards is to help a student in our community continue the late Senator's efforts to expand free and fair trade and to develop the same ability for independent thought that Senator Chafee was known for.

The scholarships will be awarded at our Spring Trade & Transportation Conference in recognition of Senator Chafee's achievements on March 11, 2010. The scholarships will be presented by Senator Lincoln Chafee beginning at 8:45. The ceremony will open the Thursday program at the Hyatt Regency on Goat Island in Newport, RI. The number of scholarships and amount of the awards will be determined by the scholarship committee based on the number of applicants.

Included in this mailing is the scholarship application form. We hope to receive applications from as many qualified applicants as possible, so please post this notice in your company if you are a **CORPORATE MEMBER**. Note that the deadline for the application is February 19, 2010 and that date will be firm. If you have additional questions, please contact me directly at 508 851-6743 and I will attempt to answer those questions.

Best regards,
