¹ As of 2011 WV State Legislation

Rule X: Residency Requirements for Appointees to the Martinsburg Police Department

To ensure that an adequate number of personnel are available at all times and that off-duty police officers will be available for call-back with a reasonable response time in emergency situations, the City finds it necessary to require that its police officers reside no further than a specified distance from their work place. Consequently, the following residency requirements shall apply:

1. Any police officer employed by the City of Martinsburg with an appointment date after the effective date of these residency requirements² shall establish and maintain his/her permanent physical residence within a twenty-five (25) mile radius of the Berkeley County Court House, located at the intersection of Queen and King Streets, Martinsburg, West Virginia and shall continue his/her permanent physical residence within the residency area for the entire period of his/her active employment with the Martinsburg Police Department.
2. Any police officer who does not reside within the area at the time of his appointment shall establish his/her physical permanent residence within the specified area within ninety (90) calendar days of the date he/she receives notice that he/she has been awarded regular employment status with Police Department. An extension of this period for a period of not to exceed ninety (90) calendar days may be granted by the Police Civil Service Commission upon receipt of a written request from the police officer requesting such an extension. Any such request will be considered by the Commission only upon sufficient evidence that strict enforcement of the requirement would present a substantial hardship on the police officer requesting the extension. In no case will the Commission delay the enforcement of this rule beyond a ninety (90) calendar day extension period.
3. Any and all disputes involving the enforcement of this rule shall be decided by the Commission.
