

**CITY OF MARTINSBURG
FULL TIME WATER LABORER**

The City of Martinsburg Utility Department has an immediate opening for a full time Water Laborer.

The successful applicant will perform a variety of unskilled and semi-skilled manual labor tasks assisting operators with various duties as assigned at the Water Treatment Plant or assisting maintenance crews. Skill in knowledge and operation of various tools and equipment required. A valid driver's license is required for the position with maintenance of the license and insurability mandatory to remain in this position. Graduation from high school or GED equivalent required.

This position works to maintain, clean and repair water distribution lines, including mains and service laterals. Applicant will be required to make ½-12" water taps, flush lines and hydrants, install meters and assist with meter replacement. Duties include assisting with traffic and safety control during line repair or maintenance, transportation and delivery of supplies to work sites and care of Water department vehicles. Other duties include routine maintenance and repair on water facility buildings and structures to include mowing, painting, cutting weeds and brush, washing windows, removing snow and ice and plowing snow. This position digs ditches, operates equipment, pushes loaded wheelbarrows, mixes concrete and restores site after work is completed.

Employee must be able to meet all physical requirements of the job including the ability to work outside, frequently lift and/or move up to 50 pounds and occasionally lift and/or move more than 100 pounds. Extreme physical labor over long period of time is required of the position. Must be able to work outdoors in all types of weather conditions and in confined spaces. Compensation is \$23,390 with excellent benefit package. Application available at www.cityofmartinsburg.org or at City Hall-2nd Floor, 232 N. Queen St. Martinsburg, WV 25401. Application must be filed with the HR Director, on or before Friday, October 18, 2013. EEO/AA.
