

Eastern Panhandle HOME Consortium of West Virginia Homebuyer Assistance Program.

GOAL: To help make the “American Dream” of homeownership a reality for first-time low-to-moderate income homebuyers in the City of Martinsburg, Berkeley County, Jefferson County or Morgan County West Virginia.

ASSISTANCE: The Eastern Panhandle Homebuyer Assistance Program (HAP) provides assistance which is essentially a zero-interest deferred loan that is forgiven after 5 years. Jefferson County	\$219,000.00	\$219,000.00

Please Note: If the above requirements are met by an applicant it shows eligibility to participate in the Program. However, it does not guarantee the applicant will receive a loan.

*The City of Martinsburg is a Fair Housing and Equal Opportunity Organization.
Women and minorities are encouraged to apply.*

DWELLING REQUIREMENTS

1. The dwelling must be located within the boundaries of the City of Martinsburg, Berkeley County, Jefferson County, or Morgan County.
2. The dwelling must be in compliance with the currently adopted International Property Maintenance Code.
3. The property must be a single-family detached home, row structure, duplex, or multi-unit residence.
4. Double wide mobile homes must be on permanent foundation.
5. The property must not contain evidence of defective paint surfaces (i.e., surfaces on which the paint is cracking, scaling, chipping, peeling or loose) on all intact and non-intact interior and exterior painted surfaces. If the dwelling to be purchased does contain defective paint surfaces, the City of Martinsburg reserves the right to deny homebuyer assistance through this Program for the purchase of that particular dwelling unit.
6. The dwelling must be occupied as the primary and principle residence of the first time homebuyer.
7. The property cannot be financed through a land contract or rent to own contract.
8. During the loan term, the approved applicant must keep the dwelling and related property in compliance with the minimum property maintenance code requirements of the City of Martinsburg. Furthermore, the City reserves the right to inspect said dwelling and related property at any time during the loan term in order to monitor compliance with the property code. Failure to keep the dwelling and related property to code standards will result in the repayment of the entire amount of assistance provided under this program.

OTHER CONDITIONS

1. The City of Martinsburg may provide up to \$14,500 as a forgivable loan to eligible and approved pre-applicants to cover the costs associated with reasonable down payment and closing cost expenses, reduction of mortgage principal, and minor repairs to meet local property codes. The total amount of assistance provided will be determined on a case-by-case basis. The approved pre-applicant must provide a minimum of \$500.00 of the identified down payment and closing cost total.
2. **The forgivable loan term, also called the “affordability period,” is five years.** The minimum loan is \$1,000. A lien will be placed on the property purchased. If the approved applicant purchases a dwelling and maintains ownership and residence for the entire affordability period, the loan is forgiven as a grant. If the approved applicant sells, leases, or transfers the dwelling or does not use it as the primary and principal residence, the approved applicant must repay the remaining principal balance of the loan.

3. The amount of the HAP loan will be determined by the amount of funds required to make the first mortgage affordable. The first mortgage monthly payment of Principal, Interest, Taxes and Insurance (PITI) should not be greater than thirty percent (30%) of the homebuyer's monthly income. The total debt to income ratio (TDI) should not be greater than forty percent (40%) of homebuyer's monthly income. The City reserves the right to evaluate the homebuyer's affordability ratio and approve the HAP loan amount.
4. The applicant is expected to seek a first mortgage loan with the most affordable and favorable terms. Applicants are expected to seek mortgage financing using the West Virginia Housing Development Fund mortgage programs, the USDA Rural Development mortgage programs, or an equivalent mortgage product. The borrower must be pre-qualified by a mortgage lender.
5. The borrower must have sufficient income to support the primary debt and must be able to obtain approval from a primary lender for the purchase of the home. The borrower needs to show evidence of the pre-approval letter from the primary lender.

I/We understand and agree to abide with all the referenced program conditions.
