PERMIT FORM

NAME:

ADDRESS:

TYPE OF PERMIT Train Station / Green Top Meter
(circle one)

STARTING DATE:

You will need to include a check or money order with your completed permit request form. All permits are priced at \$20 per month.

Permits are available on a first come first served basis. Spaces are *not* held on a month to month basis. Everyone must complete a new form to purchase a new permit. There are 56 spaces available, and there are many people who request these permits, therefore spaces sell quickly. The lot is never oversold; however it may be in your best interest to purchase several months in advance. In addition, by default if a space requested in the Train Station is not available, a Green Top permit will be issued instead. If you prefer NOT to receive a Green Top permit when a Train Station Lot permit is not available, please make a note on this form when you return it.

In order to park in the Train Station Lot, you must have an **orange permit**. The orange permit **cannot** be used on any of the green top meters, in the "Caperton Employee" spaces, or on the meters in the train station lot.

In addition, any permit must be visible at all times. If there is no permit in a window, or if the dates of a permit are not clearly visible, a ticket will be given.
