

# Daily Deal Program

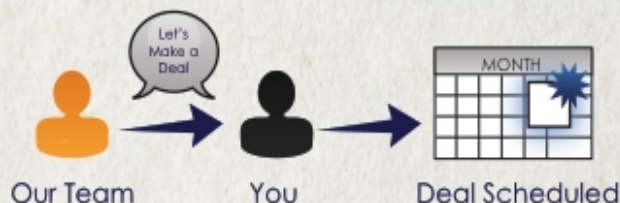

GrabGreatDeals.com

## How it Works

### 1 We Make a Deal

Our team works with you to create an amazing deal that is 50-80% off.

Monday thru Thursday deals run 24 hrs. Deals on Friday run all weekend.

### 2 We Market your Business

We promote your deal through email, and social media. Customers purchase the deal and share the deal with friends.

### 3 Deal is Complete

As customers purchase the deal, a deal voucher is sent via email. After the deal closes, our system and support team will send checks to you.
